Experience Certificate

This certificate confirms that **Mr. Minhaj Shameer Ahamed** was engaged by **Woodlempark School, Hamidiya**, under a professional consultancy contract as a **Freelance Penetration Tester**.

Duration of Service: 01st April 2025 to 29th September 2025

Scope of Work:

Mr. Ahamed was responsible for securing the school's digital assets & the key responsibilities included:

- **Cybersecurity Audits:** Conducting comprehensive penetration testing on networks, internal systems, and web applications.
- **Vulnerability Exploitation:** Skilled use of tools including **Metasploit, Nmap, Nessus, and Burp Suite** to identify vulnerabilities (e.g., XSS, SQLi, and access control flaws).
- **Security Posture Improvement:** Documenting detailed findings and proposing strategic remediation plans to improve the overall security posture of the organization.

Mr. Ahamed demonstrated strong technical expertise, integrity, and professionalism during this engagement.

We wish him success in his future endeavors.

Sincerely,

Poornima Nambiar
